MOTUL FIM Superbike World Championship/ FIM Supersport and Supersport 300 World Championships

2021 Provisional* calendar, update 16 February

The 2021 Dutch Round will be rescheduled for the end of July

Following the ongoing Covid-19 pandemic and resulting regulations, the FIM, Government Officials, the TT Circuit Assen and Dorna WSBK Organization (DWO) informs of the postponement of the Dutch Round to the 23rd to the 25th of July.

As local authorities have determined that no major events may be held in Drenthe until the 1st of June 2021, the Dutch Round, initially scheduled from the 23rd to the 25th of April, will now take place at the end of July.

FIM and Dorna WSBK Organization are constantly working with Government Officials and Circuits in order to continue putting the safety of everyone first. Any further updates to the 2021 WorldSBK calendar will be communicated accordingly.

About the FIM (www.fim-live.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 115 National Federations throughout the world. It is recognized as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
